EXPERIENCE

ERNST & YOUNG (EY)

Senior Consultant
Consultant

New York, NY
July 2023 – Present
July 2021 – July 2023

Business Analyst for Global Markets Operations Transformation

- Managed multiple workstreams of client stakeholders for an operations and technology transformation to comply with an SEC-mandated shortened securities settlement cycle
- Led Operations and Technology stakeholders to draft business requirement documents, estimate and acquire funding, and coordinate delivery and testing of requirements
- Supported development of client metrics suite that led to 66% reduction of monthly client trade exceptions (initial baseline of 500k/month)

Derivative Valuations Center

- Modeled valuations of 20+ derivative portfolios in Excel for EY audit teams across various products including Interest Rate Swaps, Cross Currency Swaps, FX, and Credit Default Swaps
- Reviewed peer-made valuations, typically performed by more senior employees

Financial Services Consulting Internship

CHALKLINE SPORTS

Business Analyst Intern

Nashville, TN
June 2019 – August 2019

- Led company website redesign and client branding projects from start to finish, managing multiple web-designers and artists simultaneously
- Created free-to-play sports betting games and promotions for clients to engage and monetize customers
